SNOVA

Intelligent Admission & Campus Companion

SNOVA is an intelligent conversational platform that helps students and parents explore admission, academic, faculty, campus and institutional information through a single interactive experience.

What is SNOVA?

One Intelligent Interface. Multiple Answers.

SNOVA brings essential institutional information together in an easy-to-use conversational interface. Instead of navigating through multiple pages and documents, you can simply ask questions and get accurate, relevant information — instantly.

Explore Our College

Academic

- Courses & Programs
- About Departments
- Academic Information
- Eligibility Requirements

Admission

- Admission Process
- Application Information
- Required Documents
- FAQs

Campus
